

# Adapter Millmax16x2-Omnetics32

June, 2017

## 1. Adapter Millmax16x2\_Omnetics32

- Two JAGA16 Devices can be plugged into the adapter that has Millmax 16 x 2 (male pins) into the Omnetics female connector (A79023-001).
- Please note the two GND pins on the Omnetics side and 4 GND points (centered) on the Millmax side.
- Make sure that GND pins on the Millmax side match the GND/REF pins of the JAGA device.
- On our JAGA device, GND and REF are connected.
